OFFICE OF PETITIONS

In re Application of Muncaster and Millican :
Application No. 10/784,410 :
Filing Date: February 23, 2004 :
Attorney Docket No. 5825.36/P :

Decision on Petition

This is a decision on the petition filed October 22, 2007, to revive the above-identified application.

The petition is **granted**.

On September 22, 2006, the Office mailed a non-final Office action. The Office action set a shortened statutory period for reply of three (3) months. The Office did not receive a response to the September 22, 2006 Office action, or receive a request for an extension of time. As a result, the above-identified application became abandoned on December 23, 2006.

The instant petition requests revival of the application.

Petitioner has submitted the required petition fee of \$770. Petitioner has submitted a reply to the non-final Office action in the form of an amendment filed with the instant petition. Petitioner has stated -the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

Petitioner has met the requirements to revive the above-identified application pursuant to 37 CFR 1.137(b). Therefore, the petition is granted and the application is revived.

Technology Center Art Unit 1794 will be informed of the instant decision and the application will be further examined in due course.
